Solar Heat Exchangers

Electricity prices are but so are newly revised Eskom rebates for locally manufactured solar water heaters! Solar Heat Exchangers has put together a fantastic energy efficient hot water heater offer exclusive to Blairgowrie Community Association members. Geysers are the biggest energy consumers in a home. Solar water heaters and heat pumps are proven technologies which will reduce your electricity bill. These technologies are also available for swimming pool heating so if your pool needs a few extra degrees to be enjoyable this summer, we can help! E-mail info@solarheat.co.za to get free quotes or give us a call on 011 462 0024 - www.solarheat.co.za
